

OREO OPINION WRITING

Use the OREO strategy to write a simple opinion paragraph.

O **TOPIC SENTENCE** - State your opinion clearly.

R **REASON** ==> Include a reason to support your claim above.

E **EXAMPLE** ==> Provide an example that supports your reason above.

O **OPINION** -Catchy closing sentence. (Restate your opinion with enthusiasm!)

Do you want to write a stronger, more persuasive paragraph? Add more reasons and include an example for each reason. The more reasons and examples you provide, the stronger your argument (opinion) becomes.
